Lunch Program

***As of January 1, 2018, the requested donation for lunch will increase to \$3.00 per meal. Lunch is served every Tues/Thurs at 11:30am.**

Jack works very hard at keeping the cost down while providing a delicious, well-balanced meal. I still cannot figure out how he does it. He plans the menu in advance based on a past average number of people he anticipates attending a specific type of program on a specific day.

Keep in mind, the actual food may be the largest expense of running a meals program, but it is just one part. There is the cost of kitchen supplies, paper products & containers, and renting the kitchen/Great Hall.

Therefore, I'm proud to say, this is only the second time we raised the requested donation in the 15 years we have been in existence. The last increase was July 2010 and it went from \$2 to \$2.50.

Even though we are a non-profit organization, we are expected to at least break even. And you can help! If you know in advance that you will not be attending, or if you are part of a group that will not be attending on a specific date, please let us know. The more notice the better. It helps when we are planning programs, holiday/birthday parties, entertainment, meals and set-up.

Reminder: Please either be here by 11am for lunch, or call (609-645-0013) by 11am, to let us know you are coming and to save you a seat.

Thank-you in advance for your help & cooperation,

Donna Payne
