

# ABSECON: A CENTURY OF STORIES STORY FORM

The Absecon Historical Society is collecting stories and anecdotes about Absecon and would like your input! We would eventually like to publish a booklet containing these stories. If you have a favorite story/anecdote/remembrance about life in Absecon, please share it with us. Jot your story down on this form or on a separate piece of paper and send it to us at the address below. There is no length requirement, short or long we want your story! Also, if you know anyone with a good Absecon story, please let us know by jotting their name, phone # etc. below. We would like to contact them. Please contact a Society member to make other arrangements for submitting your story (or if you would like to make an audio tape of your story to submit). Feel free to offer more than one story. Once you get started you may not want to stop.
